Chinese Customs database

China Customs take electronic control over ATA Carnets. All ATA Carnets' Chinese texts will be transmitted to Customs database. The transmitting function will be performed by CCPIT/CCOIC.

- For ATA goods, transported as freight goods, broker shall contact with CCPIT/CCOIC for electronic data registration before declaring to China Customs.

- For hand-carry goods, holders may undergo paper verification by China Customs firstly, and then go to CCPIT/CCOIC with original carnet for electronic data registration in the following three working days.
